# Windows 10 FALL Extreme Lite 2017

type "System" into the Search box and choose Settings. Microsoft has finally released the operating system for the new Surface Laptop 2-in-1. Microsoft released their Fall Creators Update (version 1709) yesterday, as they promised. Read more info about the system below. Windows 10 Fall Creators Update (version 1709) Here's what's new in the Windows 10 Fall Creators Update (1709):. Windows 10 Fall Creators Update | Microsoft You can download the Fall Creators Update right now. If you have Windows 7, you can also download the Fall Creators Update at this time, as well. Getting started. Install Windows 10 Fall Creators Update. Windows 10 Fall Creators Update [Download/Update] (Win10Preview) Next, open the shortcut for the Windows 10 Fall Creators Update. Alternatively, Windows 10 Fall Creators Update for Insiders: Click the Settings button, then click or tap Update & Security. Note: You can also click or tap Update & Security under the Action Center menu. Go to Update & Security > Windows Update. Go to Windows Update > Check for updates. If you have any prior versions of Windows 10 on your computer or tablet, you can update them using your PC or tablet's Wi-Fi connection. Windows 10 Fall Creators Update - Duration: Windows 10 Fall Creators Update (1709) | Microsoft Last but not least, when the update is ready, click or tap Download. For PCs, the update will install automatically, while smartphones and tablets will get it via the Microsoft Store. The following documents will download: Microsoft Edge This update enables WebGL support on Windows 10 devices. To use this feature, you must have an HTML5-compatible game or app. Windows 10 Fall Creators Update | Release Notes I've been taking a lot of screenshots of changes for the Windows 10 Fall Creators Update and saving them as JPGs. In my earlier Fall Creators Update posts, I missed a couple that were really cool. Here are the screenshots I missed (and my short review of each): Fall Creators Update Screenshots: 1, 2, 3, 4, 5. Windows 10 Fall Creators Update: Fall Creat
