18-Mar-2020 This is the Save Edit Version
1.3.16.121. This was made from version
1.3.18.137. THIS IS ONLY AN EDITOR
FOR THE NORMAL DIABLO 3!. I tried
making it a.mf file and I can't get it to
work. 11-Feb-2019 You can use this

saveset to make a Hardcore Mode. It can be done. 27-Jul-2018 I went back and edited my save file using jappi's save editor v1.3.18.137. And since it's D2 anyway I made the upgrade to the D3 Newcore format. Since it's for D2 anyway you can download it below to use it. I took the save to the online servers and found out that you can't play it on regular D2 consoles (Oblivion and TFC) as they are all from 2005 or earlier. . The D2 save I had was from 2007 and was for D2 which doesn't know the Newcore format so that's why I upgraded it. So if you have a D2,

just open it and then make the save to your NEWFORMAT save using the save editor in my file. I suggest this because .
