May 2, 2013 i have a problem with delphi 2013.3 autocom activator and. original package that i installed from delphi 2009 (windows 32 bit) Aug 14, 2015 I have the same problem as the other guy who posted it as a topic. If somebody has a solution please help me! I tried a lot of things already. I registered in the forum, and. the "keygen" wants an email address. I did that, but it didn't work. Any help? .
