---

May 01, 2572 BE In its first month, V-Ray 3.0 has just been released for 3ds Max, and it's here to stay. V-Ray is the most complete lighting, shading and rendering toolkit on the market, making speed and simplicity accessible to all. Vray Adv 3.00.09 by Paul Dyer Mar 02, 2558 BE The Chaos Group released Vray 3.0 for 3ds Max on Friday. vray adv 3.00.10 3ds max 2014 x64 (update). May 01, 2572 BE I have Vray Adv 2.50 for 3ds Max and whenever I try to import a scene to 3ds Max, I receive the message saying that I need to update it to Vray 3.0, Can you give me some advice on how I can update it? It is available on Sep 21, 2592 BE I just downloaded Vray 3.0 for 3ds Max, but I don't know if I have to update my previous version (Vray 2.50). I am using Windows 10,64bit. Thank you in advance. Mar 31, 2558 BE I have Vray Adv 2.50 for 3ds Max, but whenever I try to import a scene to 3ds Max, I receive the message saying that I need to update it to Vray 3.0. Can you help me with this? Dec 31, 2572 BE Hello! I'd like to request the authors of Vray Adv 3.00 for 3ds Max to put some more download links on the website (after all it's their product), it's the latest version of Vray, and it's hard to find the site on Google or any search engine. Best wishes, Jan 31, 2558 BE I have Vray Adv 2.50 for 3ds Max, but whenever I try to import a scene to 3ds Max, I receive the message saying that I need to update it to Vray 3.0. Can you help me with this? Sep 21, 2592 BE I just downloaded Vray 3.0 for 3ds Max, but I don't know if I have to update my previous version (Vray 2.50).
