DetachIt was designed to be a simple and powerful tool for extracting, exporting, and copying information from Lotus Notes databases to your Windows file system. What DetachIt Does: -Extract, copy, or save to a folder files from a Lotus Notes database. -Export or copy field and mail header information. -Export or copy your email address and other special information into a text, CSV, or delimited file. -Save your text, CSV, or delimited file to your Windows folder. -Add attachments to any exported messages. -Attach any attachment to any exported message. -Organize exported information by mail, message number, and subject or email. -View the total number of attachments to be exported. -Customize the files stored. -Export or copy specific mail to CSV or delimited text file. -Export or copy specific attachments to CSV or delimited text file. -Convert pages to text documents. -Extract pages from text documents. -Export or copy specific fields to CSV or delimited text file. -Attach files to specific mail or messages. -Recover attachments saved in two file formats: PDF and TIFF. QuickCOPY (a.k.a. QuicklyCOPY) allows you to store the copies of your documents and other contents of your email in the same Outlook express folder where you have stored all messages. After your last email, if you need to copy a document again, you can do it just by clicking on QuickCopy icon (shortcut Ctrl-C) and your content will be copied as simple as that. This is not a third-party download, but, rather, a part of the software of the default Windows® XP. Now when you click QuickCopy icon it will ask you to overwrite the existing files, so you will always save your documents as new with the new name and if you click No you'll move to the next one, otherwise you'll overwrite the existing files. WinPC MANUAL: The software has 2 versions, EasyAlbum and Express Album, its the latest and best Album software for Windows XP. EasyAlbum: This is the default WinXP Explorer's program to maintain Albums ExpressAlbum: This is the new version of EasyAlbum with improved features
