METALLICA THROUGH THE NEVER Screensaver Crack

This screensaver is based on the famous music video of 'Through the Never', a song from the record of the same name by Metallica. It is a freeware. With this screensaver you will see images from the video on your computer. The images that are presented are extracted from an Internet website called "", which gives access to different photos related to 'Through the Never'. The images that are presented are randomized so you always have new ones. Also, you can set the duration in seconds for each image to be displayed, as well as the order you prefer, either 'Random', 'Sequential' or 'Shuffle'. You can also select the type of transition effects for the image change, 'Slide From Up Left', 'Slide From Bottom', 'Door Open', 'Iris Close', 'Vertical Lines From Up', 'Sweep From Left', 'Ellipse From Up', 'Triangles', 'Diamond In' and many others. Moreover, you can also adjust the transition speed to go as fast or slow as you want. You can listen to you favorite Metallica songs, in 'Repeat' or 'Shuffle' mode, and imagine yourself at a concert. In addition, you can create your own music playlist, by using your mouse or keyboard, and this music will be played while this program is active.
