FIFA is the world's premier videogame franchise and EA SPORTS FIFA franchise has sold over 200 million gameplay licenses since it first premiered in August of 1992. With the introduction of an all-new player model, ball physics and brand new ball control, FIFA 22 delivers the most authentic experience of world-class soccer on any console. Based on feedback from the most seasoned, passionate football fans in the world, the game features new trick shots and moves, a dramatically new dribble system, true 360° ball control and vision, improved set piece shooting and much, much more. This year's most featured changes include: **New Ball Physics Technology:** The result of years of research, every facet of the game has been tuned and optimized to ensure the most authentic, realistic and challenging ball control on a system. **New Player Model:** The all new player model in FIFA 22 delivers a more authentic silhouette, posture, details and animation as players move from open space to a close range tackle. **FIFA 22 Hosted on a New Engine:** The FIFA 22 engine is more than just the most advanced in the world. EA SPORTS' new engine is built on an advanced, real-time physics and animation development platform. This means a new engine delivers a total gameplay experience unlike any other video game or simulation. **New Player Trajectory Technology:** FIFA 22 leverages a blend of new player control data and improved tracking technology to take player's movement to the next level. From the first touch, to the last touch, players can now take on defenders, turn and accelerate faster. **Spectacular Visuals:** The new graphics engine gives players more details, more realism, and more visual feedback. **Exclusive Online Pass:** Players can now buy the FIFA 22 Expansion Pass exclusively through Xbox Live and PlayStation Network to unlock FIFA Ultimate Team™ & online leagues, all-new stadiums and events. **FIFA ULTIMATE TEAM™** Your digital collection of hundreds of real-world licensed players is now more comprehensive than ever and the new FIFA Ultimate Team™ mode unlocks a wealth of real-world player cards from all over the world in your Ultimate Team™. Your Ultimate Team™ collection also includes the ultimate collection of kits and new kits for every club in the world.
