The Ascent is Fujitsu's first "proper" (with a physical keyboard and trackball) smartphone, and it's packed full of high tech tricks to make your messaging more efficient than ever. Like most mobile phones today, the Ascent sports a dual core processor, but Fujitsu has also added a sliding QWERTY keyboard, a high resolution screen and a removable battery. They've even added a trackball, for a full mobile phone experience! 648931e174
